

Yom HaGirush

Yom HaGirush, November 30, commemorates the coordinated expulsion of Jews from Arab nations. After the 1948 founding of the modern state of Israel, most Arab nations followed the Nazi model of dispossessing and expelling their Jewish populations, often to overload Israel's ability to take them in. 850,000 were expelled penniless and stateless. Lyn Julius, co-founder of [HARIF-UK](#), and Elie Abadie, senior rabbi of the UAE, join Edwin Black, author of [The Farhud](#) and originator of [International Farhud Day](#).
