

The Edwin Black Show

Episode 19: July 23, 2020 @ 3:00pm EDT

Ask Edwin Anything about

How IBM Organized the Holocaust

In his million-copy *New York Times* bestselling investigative book, *IBM and the Holocaust*, Edwin Black documented how IBM knowingly organized all six phases of Hitler's Holocaust: identification, exclusion, confiscation, ghettoization, deportation—and even extermination. Available in many languages in 190 countries, the exhaustive Pulitzer-submitted work has won awards in many quarters.
