Introduction

Notwithstanding the repeated denials by the United Nations Relief and Works Agency (UNRWA) and its insistence that it has zero tolerance for hatred and antisemitism, UN Watch continues to find abhorrent antisemitism and support for jihadi terrorism by UNRWA staff on social media. This report details how UNRWA teachers in a 3,000-member UNRWA staff Telegram group cheered and celebrated Hamas's October 7th massacre while at the same time asking when their UNRWA salaries will be paid. The UNRWA staff in the group shared photos and video footage of those events and prayed for the terrorists' success and for Israel's destruction, in clear violation of UN rules.¹

Some examples from the report include:

1. **Israa Abdul Kareem Mezher (Group Admin), UNRWA Contract Number: 30010783.** On October 7th, he excitedly celebrated the Hamas massacre "God is the greatest God is the greatest" and declared "Israel's time is over."
2. **Waseem Medhat Abu El Ula (Group Admin), UNRWA Contract Number: 30026402.** Calls to kill Israelis— "execute the first settler" —and prays for terrorists' success.
3. **Safaa Mohammad Al Najjar (Group Admin), UNRWA Contract Number 30026166.** On October 7th, she praised Hamas Mujahidin ("holy warriors").
4. **Abdallah Mehjaz (Group Admin), LinkedIn Profile confirms he is an UNRWA teacher.** Urges Gaza civilians not to leave harm's way, and instead to serve as human shields for Hamas.
5. **Moreed Abdulaziz Issa, UNRWA Contract Number: 30016859.** On October 7th, he celebrated the Hamas massacre of Israelis "What we did exceeded expectations... What they do after doesn't matter."
6. **Shatha Husam Al Nawajha, UNRWA Contract Number: 30030836.** On October 7th, she prayed for the success of the Hamas terrorists— "May God protect them and guide their aim." She also wished for the terrorists' "victory" and for their "safe return" with "booty."
7. **"Yousif's Mother," chat history includes conversations about her UNRWA salary.** On October 7th, she praised Hamas terrorists as "heroes," marveled at their "hearts," and prayed for God to "guide their aim."
8. **Ibrahim Sami El Sultan, UNRWA Contract Number: 30016429.** On October 7th, he cheered Hamas's hostage-taking.
9. **"Hussein," chat history includes conversations about his UNRWA salary.** He prayed to "break the Jews and their camp."
10. **"Yaser," posed in front of his classroom blackboard.** Posted "Oh, how much I hate the Jews."

This is the latest in a series of reports on UNRWA staff antisemitism and incitement to jihadi terrorism which our research proves is systemic and widespread. Since 2015, UN Watch has exposed over 150 UNRWA staff Facebook pages that contain antisemitism and incitement to jihadi terrorism in blatant violation of UN neutrality. Since our research is based exclusively on public Facebook pages of people who self-identify as UNRWA employees and we don't have access to a full list of UNRWA employees or UNRWA staff

1 Including Article 101(3) of the UN Charter ("paramount consideration" in employing staff is "securing the highest standards of efficiency, competence and integrity"; UN Staff Regulation 1.2(b) (staff must "uphold the highest standards of...integrity," including "probity, impartiality, fairness..."; UN Staff Regulation 1.2(f) (UN staff must remain neutral and impartial, especially with respect to public pronouncements); UNRWA Staff Regulation 1.4 (staff must "avoid any action and in particular any kind of public pronouncement which may adversely reflect on their status or integrity, independence or impartiality..."; UNRWA Staff Regulation 1.7 (staff must not engage in "any political activity which is inconsistent with or might reflect upon the independence and impartiality required by their status). See *Staff Regulations and Rules, UN* (Last visited January 23, 2024), <https://policy.un.org/policy-doc/29078>; *Area staff regulations, UNRWA* (January 1, 2018), .

Facebook profiles, many of which are private, it cannot capture the scope of the problem. We have always assessed that UNRWA staff neutrality violations are systematic and go well beyond the examples in our reports. As we have repeatedly explained, the real issue here is not the Facebook posts themselves, but the fact that UNRWA hires antisemitic and terrorist-supporting staff in the first place.

UNRWA's typical response to our research has been to disparage our human rights organization and downplay the problem as reflecting just a few bad apples.² The UNRWA Telegram group featured in this report completely eviscerates UNRWA's denials and exposes the extent of UNRWA's failure to do the bare minimum to address its staff's neutrality violations. Disappointingly, the UN's initial response to this issue was to again disparage UN Watch and to vaguely claim that "any allegations are looked into."³ Yet, despite ample evidence of the violations,⁴ the UN still has not addressed the matter in any meaningful way.

Methodology and Contents

The data in this report comes from a Telegram group named "UNRWA-Gaza Daily Vacancies," which was created on March 25, 2020 and contains 3,000 members, most of whom are UNRWA teachers. Telegram is a platform similar to WhatsApp, through which group members can chat with each other and share documents and other files.

As stated in the group description, the purpose of the group is to coordinate negotiations for improved contracts and working conditions for UNRWA teachers employed under temporary (daily or monthly) contracts, even though many of the group members have been working at UNRWA for years.

Anyone can access the group. UN Watch downloaded all of the data in the group from March 25, 2020 to January 10, 2024, including chat history and shared files and attachments, and reviewed the entire chat history from October 7th onward.⁵ In addition, UN Watch conducted key word searches on the pre-October 7, 2023 data to identify relevant chats and files.

Where possible, UN Watch matched Telegram nicknames with full names and identifying data on the UNRWA employee lists circulated in the group. However, in most cases, this was not possible because the nicknames were not sufficiently unique. In some cases, UN Watch was able to corroborate UNRWA employee status via the chat history in the group or other public information. Nevertheless, due to the overwhelming evidence that this is a group for UNRWA teachers, as detailed in the next section, UN Watch applies a presumption that all group members are in fact UNRWA teachers.

This report profiles 30 members of the UNRWA Telegram group who celebrated and endorsed Hamas's October 7th massacre of Israelis or otherwise supported Hamas terrorism. *Annex A* contains proof that this is an UNRWA group. *Annex B* contains screenshots of the relevant Telegram chats with translations.⁶

The UNRWA Telegram Group

The UNRWA Telegram group was created by Hani Jouda,⁷ who advocates for the rights of UNRWA staff⁸ and is listed among the group admins as the owner. The Telegram group description states that it is affiliated with the Palestine Refugee Advocacy Network, which appears to be connected to the PLO Refugee Affairs Department.⁹ In August 2022, Jouda was photographed with UNRWA Gaza Director Thomas White at a meeting discussing UNRWA services.¹⁰

In addition to creating the Telegram group, Hani Jouda is also listed as the main contact for the Palestine Refugee Advocacy Network.¹¹ Hani Jouda himself rejects Israel's right to exist and promotes antisemitism. On May 15, 2020, Jouda posted on Facebook about the “Zionist occupation” of Palestine in 1948, concluding “The right of return is an irrevocable solid right” and “#we_will_return_to_Palestine_72.”¹² In a June 18, 2021 post, he denied any Jewish connection to the Land of Israel,

stating “Jews do not have religious rights in the Holy Land.”¹³ On his blog, Jouda quotes antisemitic texts that portray Jews as having a superiority complex that “fills the being of every Jewish individual” and as being “cunning” and “clever in evil.”¹⁴

Aside from Hani Jouda, there are 18 other admins in the group who presumably are UNRWA teachers based on their presence and engagement in the group. Seven of these have been identified on UNRWA employee lists as detailed in *Annex A*. The numerous group discussions about UNRWA salaries, schedules, and teaching materials, as well as confidential UNRWA employee lists with ID numbers, documents with the UNRWA logo, letters on UNRWA letterhead, including from UNRWA Gaza Director Thomas White, and photos of teachers protesting in front of UNRWA schools, confirm the group is for UNRWA teachers. Group members also used the Telegram group to share answers to UNRWA training exam questions, including trainings on ethics and integrity and social media neutrality. Selected screenshots of this material are available in *Annex A*.

About UNRWA and Palestinian Refugees

Among all peoples in the world affected by conflict and displacement, only the Palestinians have a dedicated UN agency to assist their so-called refugees, *i.e.*, those displaced in the 1948 war launched by the Arab states against Israel when it declared independence, as well as their descendants. Unlike the UN High Commissioner for Refugees (UNHCR)—the UN refugee agency for the rest of the

world's refugees—UNRWA does not have a mandate to resettle Palestinian refugees, which would lead to their removal from refugee rosters. Instead, UNRWA is dedicated to maintaining the refugee status of its 5.9 million constituents until there is a “just and lasting solution to their plight.”¹⁵

On the surface, UNRWA serves as an internationally funded welfare agency that provides education, health care, and cash assistance to millions of Palestinians. With 30,000 staff, most of whom are Palestinian refugees, UNRWA is also a major source of employment for them.¹⁶ Some 20,000 of these UNRWA beneficiaries work in UNRWA education.¹⁷

In practice, UNRWA is a political advocacy tool to promote the so-called Palestinian right of return, which is just another way for the Palestinians to achieve their ultimate goal of eliminating Israel as a Jewish state. Last March, the UNRWA Teachers' Union in Lebanon described UNRWA as “the main political witness to our cause,” *i.e.*, to the plight of the refugees and their right of return.¹⁸ Therefore, it is not surprising that UNRWA has close ties to the Palestinian leadership, as indicated by the fact that the PLO-affiliated Palestine Refugee Advocacy Network was involved in creating and managing the UNRWA Telegram group at issue here.

At the same time, because it is part of the UN, UNRWA is mandated to abide by the UN humanitarian principles. Therefore, on its website, UNRWA pays lip service to these principles. However, our research since 2015 proves that UNRWA's representations are at best highly misleading and at worst outright lies.

UNRWA insists that its work is guided by the humanitarian principles, which include neutrality, impartiality, and independence.¹⁹ It claims that “UNRWA staff's respect of the Humanitarian Principles is attested by the rarity of staff conduct violations and our robust reporting system.” Yet,

we continue to find violations through our research, which is based exclusively on public sources. Our assessment is that if we had access to non-public data, we would find many more violations. Moreover, the fact that we continue to find violations demonstrates that UNRWA staff neutrality violations are widespread and mostly ignored. Thus, the “rarity of staff conduct violations” touted by UNRWA proves only UNRWA's utter failure in identifying, investigating, and holding staff accountable for their neutrality violations.

On its website, UNRWA also boasts that 95% of its staff members have completed its social media and neutrality course. The high completion rate for UNRWA's social media and neutrality course, however, is meaningless. As detailed in *Annex A*, chat history and files found in this UNRWA Telegram group establish that UNRWA staff do not take this course seriously and help each other pass it by sharing the exam questions and answers in advance—in effect, cheating.

UNRWA further maintains that it takes “strong action” against UNRWA staff who violate the humanitarian principles “up to and including termination, for promoting hatred or engaging with controversial issues publicly or on social media”²⁰ and UNRWA routinely touts its “zero tolerance” for hate speech and incitement to violence.²¹ However, this is belied by the case of Riad Nimr, a teacher in Lebanon who had publicly endorsed the gruesome terrorist stabbing and shooting at a Jerusalem synagogue in which five people were killed and hailed a Palestinian terrorist as a “pure soul.” UNRWA initially suspended Nimr, only to reinstate him three weeks later after a mass pressure campaign by the UNRWA staff unions and by the Hamas and Islamic Jihad terror groups. UNRWA's susceptibility to pressure from both its staff unions and Palestinian terror groups confirms that UNRWA is incapable of taking “strong action” or enforcing a “zero tolerance” policy.

Call to Action

UNRWA is funded by hundreds of millions of dollars of state donations. Although final donor numbers for 2023 have not yet been published, in 2022 UNRWA received \$344 million from the United States, \$202 million from Germany, \$114 million from the European Commission, \$61 million from Sweden, \$34 million from Norway, \$29 million from France, \$25 million from Switzerland, \$24 million from Canada, \$21 million from the UK, and \$21 million from the Netherlands.²² In our previous reports we have called on donors to do the following:

- (a) Demand that UNRWA implement its stated “Zero Tolerance” policy for employees who incite racism or murder, by immediately terminating such employees, and prominently publicizing on its website and social media these and other actions it is taking to root out such insidious conduct by UN staff, including the perpetrators listed in our previous reports;
- (b) Establish, in concert with other like-minded donor states, an independent and impartial investigation with the mandate to examine the nature and extent of incitement to antisemitism and terrorism among UNRWA teachers and other staff, and in UNRWA educational materials, and to recommend remedial action;
- (c) Demand that UNRWA provide an explanation as to why some employees identified in UN Watch’s reports were placed on paid leave rather than unpaid leave, as well as an explanation of what criteria determines whether an UNRWA employee who incites antisemitic hatred or terrorism receives a warning, dismissal or other disciplinary measure;
- (d) Demand that UNRWA publicly disclose the names and records of completion of what it states is mandatory teacher training on neutrality, non-violence, tolerance, and conflict resolution, as well as on its teacher-centered approach;
- (e) Determine and disclose which of the people identified as having posted antisemitism and terrorist incitement on social media, in

this report and all previous reports, is still employed by UNRWA, and thereby potentially being funded by them;

- (f) Demand that UNRWA conduct a thorough investigation of its facilities and put an immediate stop to all antisemitic or terrorist-inciting activities and images found there;
- (g) Work with UNRWA to implement effective monitoring and controls to ensure the neutrality of UNRWA facilities, UNRWA educational materials, and staff and make public its activities in this regard;
- (h) Demand that UNRWA be in full compliance with its neutrality obligations prior to releasing any further funds to UNRWA; and
- (i) Instruct UNRWA to stop defaming UN Watch for exposing UNRWA’s neutrality violations.

In reporting on this issue for nearly a decade, we have repeatedly called for the above measures. Yet we are not aware that any has ever been pursued, let alone implemented. Therefore, we have now reached the conclusion that UNRWA and its donors are clearly not interested in pursuing genuine reform.

Neither UNRWA nor any of the donor states has ever contacted us for information following the publication of our reports. For example, our initial exposé about this Telegram group was published on our website on January 10, 2024. It was reported worldwide. Although the UN spokesman stated that the UN looks into “any allegations,” UNRWA has never contacted us to request evidence. UN Watch has preserved copies of messages, photos, and videos from that chat group, many of which have been deleted by the users. No genuine investigation is possible without this information.

The very existence of a Telegram group of 3,000 teachers in which members celebrate Hamas atrocities is but a symptom of the core problem of UNRWA, which is that its true purpose is to perpetuate the conflict. As Former Swiss Foreign Minister Ignazio Cassis said in 2018, “UNRWA...has become part of the problem.”²³

It is now time for the international community, particularly the United States and other donor states, to examine alternatives to UNRWA.

Israa Abdul Kareem Mezher aka “Sun of Sunshine”

Praises October 7th Terrorists, Prays for Hamas Victory, Endorses Hostage-Killing

Full Name: Israa Abdul Kareem Mezher

Telegram Nickname: Sun of Sunshine

UNRWA Contract Number: 30010783

Position: Elementary School Arabic Language Teacher

On the morning of October 7th, Israa Abdul Kareem Mezher (aka “Sun of Sunshine”), ecstatically celebrated the Hamas terrorists and prayed for their success (“May God keep their feet steady and guide their aim”; “pray for the Mujahidin”) and safe return (“God protect them and bring them back safe”). At 7:38 AM, as news of the Hamas atrocities began to spread, Mezher cheered “God is the greatest God is the greatest.” Minutes later he shared a photo of one of the Hamas terrorists armed and in uniform, excitedly declaring that “Israel’s time is over.” In response to another group member who wondered what these “heroes” were “brought up on,” Mezher proudly proclaimed that “They imbibed jihad and resistance with their mothers’ milk.”

At 8:15 AM, Mezher commented on a photo of a dead Hamas terrorist wearing a Hamas headband that God is giving him a “warm welcome,” adding “Our martyrs are in heaven and their [Israeli] dead are in hell.” Another group member endorsed the sentiment, saying “we are proud” of this “most glorious bravery.” At 8:28 AM, Mezher shared a photo of captured Israeli civilians stripped to their underwear and lying face down on the ground, applauding the God-granted Hamas “victory.” At 8:59 AM, Mezher captioned a photo of armed Hamas terrorists inside Israel as “awe-inspiring scenes of Al-Qassam fighters in Gaza envelope.” Mezher continued to share and comment on other “exclusive” photos of the Hamas attack. Later in the day, after Israel began its military response, Mezher

called to bomb Tel Aviv, prayed to “protect our Mujahidin” and lamented that most of the terrorists had become “martyrs.”

Mezher continued to applaud and encourage Hamas attacks after October 7th. At 7:35 AM on October 10th, Mezher appealed to “secure victory with the blood of the mujahidin” who should “spread their pride and glory everywhere.” Moments later, he endorsed Hamas’s hostage-taking and murder of Israeli civilians when he shared a statement by Hamas Al-Qassam Brigades Spokesman Abu Obaida, that Hamas would “execute the civilian hostages they took” and “broadcast it in audio and video” in response to Israeli airstrikes.

Prior to October 7th, Mezher had shared with Waseem Medhat Abo El Ula, featured below, educational content demonizing Israel and Jews. The material blames “the Jews” for “deporting” the Palestinians from their homes and considers Israeli cities like Jaffa and Haifa to be part of Palestine. One question asks “What would happen if the Palestinian people give up their right to return to their land?” The answer given is that “Palestine will never be free and the Palestinians will remain refugees out of their land.”

Waseem Medhat Abo El Ula aka “A. Handsome”

Endorses Hamas Terrorism and Advocates Killing Israelis

Full Name: Waseem Medhat Abo El Ula

Telegram Nickname: A. Handsome

UNRWA Contract Number: 30026402

ID Number: 400138061

Position: Gaza (Nuseirat) English Teacher

Waseem Medhat Abo El Ula (aka “A. Handsome”), one of the UNRWA Telegram group administrators, prayed for Hamas terrorists (“May God save them”), advocated killing Israelis, and shared and endorsed Hamas propaganda. On October 8th, Medhat called to “execute the first settler on live broadcast.” In an October 11th chat, Medhat prayed to violently defeat

Israel/the Jews—“tear them apart” and “kill them one by one.” On January 8, 2024, Medhat celebrated a failed Israeli hostage-rescue when he forwarded a message on how the Al-Qassam Brigades “blocked,” “thwarted,” “killed and wounded them, and kept some of their belongings.”

Although he did not post relevant material in the Telegram chat on October 7th itself, on that day, Medhat glorified Hamas terrorist Akram Abu Hasanen as an “Al-Qassam Brigades martyr” on his personal Facebook page.

On November 20th, Medhat shared a photo of a suicide vest warning “Jews” to “wait” because the suicide vest “is waiting to go into battle officially and exclusively.”

On November 23rd, Medhat shared a video of a speech by Hamas Al-Qassam Brigades Spokesman Abu Obaida on the “48th day of #Flood_of_Al-Aqsa Battle.” On December 4th, Medhat shared a photo of Abu Obaida and excitedly announced to the group that they would soon hear “Abu Obaida’s greatest speech since 7 October.” The next day, at 7:53 AM, Medhat affirmed the close connection between UNRWA staff and Hamas when he wrote “Hamas is the people...”

On December 25th, Medhat forwarded a message to the group affirming his endorsement of Hamas. The message opposed an Egyptian ceasefire proposal which would remove Hamas from power. The message also praised Hamas rule for “mustering the strength that broke the occupation’s back” and said that continued Hamas rule in Gaza would be “one of the most significant signs of the resistance’s victory” and of “the occupation’s defeat.” It added that Gaza Palestinians would never agree to be without Hamas, referred to as “resistance,” to protect them.

On January 2, 2024, after Israel assassinated Saleh Arouri, Deputy Chief of the Hamas Politburo, Medhat dubbed him a “martyr.”

Telegram Nickname: Yousif’s Mother

Additional Proof of UNRWA Affiliation:

Chat history concerning UNRWA salary and screenshot of official PA form in which she listed her occupation as UNRWA teacher

On the morning of October 7th, Yousif’s Mother praised the Hamas terrorists as “heroes” and prayed for their success (“May God protect them and bring them back to their families.”). At 7:58 AM she prayed for “God to guide their aim,” marveled at their “hearts,” and wondered how their mothers had raised them. A few minutes later, at 7:52 AM, she commented on a video of Hamas terrorists invading Israel, praying for their success—“your prayers for their guidance and steadfastness.”

At 8:01 AM, Yousif’s Mother exulted in the Hamas atrocities as “pride that knows no boundaries.” At the same time, she glorified the education given to these terrorist “heroes” which led them on the path of martyrdom and yearned to emulate it for her own children—“I want one of the mothers of these heroes to teach me how I should bring up my children.” At 8:17 AM, Yousif’s Mother again affirmed she was “proud” of the terrorists and admired their atrocities as “bravery in its most glorious forms.”

Then at 8:25 PM on October 8th, in the context of a chat about the Israeli strikes, Yousif’s Mother warned fellow group members to “be careful” because “the Jews deceit is unbelievable.” This is a classic antisemitic trope characterizing Jews as deceitful and dishonest.

“Abu Omar”

Celebrates October 7th, Glorifies Hamas Terrorists, Endorses Hostage-Killing and Genocide of Jews

Telegram Nickname: Abu Omar

Abu Omar’s initial response to the October 7th attack was to support the Hamas terrorists. At 11:09 AM on October 7th, Abu Omar admonished members of the group chat “not to publish the names of martyrs” to prevent their homes from being targeted by Israel. Similarly, on October 9th, Abu Omar warned group members not to publish “the names of martyrs particularly those who crossed the border” or any identifying information about them or their condition because it could aid Israel in targeting their homes and families. Again on October 16th, Abu Omar asked people not to share the footage of the attacks from the terrorists’ body cams “as there are many members of Al-Qassam’s Nukhba forces who survived and came back, and the occupation is trying to identify and assassinate them.”

On October 8th, Abu Omar celebrated and endorsed the previous day’s massacres, which he described as “our youths [Hamas terrorists] break their evil into pieces.” He repeatedly praised God for the Hamas success, elated that “their [Israeli] thrones are shaking,” “their [Israeli] state is collapsing,” “our mujahidin are roaming through the land [Israel],” and concluded by proclaiming that “our youths [Hamas terrorists] will utterly destroy whatever falls into their hands.” Abu Omar similarly endorsed the Hamas atrocities on October 12th when he wrote that 30 of his own friends and family had become “martyrs,” and he does not want “their work and what they did [*i.e.*, their terrorist atrocities in Israel] to become scattered dust.” Therefore, he pleaded for patience so that “we” can achieve “victory.” When, on October 9th, Hamas threatened to execute hostages, Abu Omar endorsed this as a valid tactic to get the Israeli public to pressure the government to cease its military campaign in Gaza. On December 5th, Abu Omar glorified Hamas terrorists as “mujahidin fighting like lions in the battlefield.”

In his October 8th chat, Abu Omar also quoted verses from the Quran about Muslim victory and supremacy over the Jews (“They [the Jews] will be stricken with disgrace wherever they go, unless they are protected by a covenant with God or a treaty with the people”), while at the same time calling for the genocide of Jews—“the time of their disappearance has come” and “be glad for this is their end.” Similarly, on October 11th, Abu Omar quoted from the Quran glorifying martyrdom and describing the war as “a war of duty, glory, bravery, and pride.”

A few days into the war, after Israel had warned Gaza civilians to evacuate, Abu Omar praised those who stayed put to serve as human shields for Hamas. On October 13th, he “saluted” the “youths of the Al-Shati refugee camp and al-Jala’ who took to the streets in their thousands to show their commitment to staying in their neighborhoods no matter the price” and commended their commitment to “jihad” and “return,” meaning returning to areas within sovereign Israeli territory.

On November 29th, in response to criticism of Hamas by another group member, Abu Omar promoted jihad and martyrdom in the pursuit of liberating Al-Aqsa—“we must fight a jihad in it as it is a divine duty...We wish to become martyrs every day and God willing our martyrdom will be at the doors of Al-Aqsa Mosque as victorious liberators.” In later conversations, Abu Omar continued to disparage “demoralizing talk” critical of Hamas and prayed for victory—“we need your prayers for the resistance that God make their feet steady.”

Telegram Nickname: Muhammad Al Zuhairi

On the morning of October 7th, Al Zuhairi justified and celebrated Hamas’s October 7th massacre. At 6:41 AM, Al Zuhairi asserted that it was in “response” to Israel’s attack on “Al-Aqsa

and the prisoners.” He then celebrated the attack as “the force of God” and prayed for God to “grant guidance” to the terrorists.

At 7:17 AM, Al Zuhairi reported in the group about the Hamas attack, including its use of drones and informed members to “Expect a great statement shortly.” A few minutes later, at 7:20 AM, Al Zuhairi continued, glorifying martyrdom in battle against the enemy—“when you meet them [the enemy] show endurance and know that paradise is under the shadows of the swords.” Al Zuhairi ended by posting hashtags endorsing the Hamas attack and praying for victory—#we_surprise_them_on_their_Sabbath and #o_Allah_grant_us_victory.

At 8:13 AM, Al Zuhairi shared a photo of the impact of an exploded rocket in Tel Aviv, commenting “Tel Aviv now.”

On October 12th, Al Zuhairi advised group members on how best to protect Hamas terrorists and their families. He cautioned group members not to provide any identifying information to female callers ostensibly offering financial reward and asking for details about the homes of Hamas commanders.

a photo of Hamas terrorists breaching the border fence, Ibrahim Ibrahim praised the “blessed day and a day of God.”

At 10:27 AM, Ibrahim Ibrahim cheered Hamas terrorists’ murderous takeover of one of the Israeli border kibbutzim—“Exclusive scenes of the takeover of Kibbutz...Praise be to God.” At 10:40 AM, Ibrahim Ibrahim enthused about the “Historical moments” in response to another photo of the attack, adding that “After seeing these scenes one is not worried about dying” because “What comes after that is not important.”

من الطبيعي أن ترفض حركة حماس والجهاد المقترح المصري

It is only natural that HAMAS and the Jihad reject the Egyptian proposal.

ي الذي يكون جوهره تخلي حركة حماس عن الحكم في قطاع غزة

The essence of which is that HAMAS should give up its rule in the Gaza Strip ..

هذا الحكم هو الذي سمح بتراكم القوة التي كسرت ظهر الاحتلال

It is that rule which allowed to muster the strength that broke the occupation's back .

بقاء حماس على رأس أي حكم قادم لغزة هو أحد أبرز معالم الانتصار للمقاومة .. وهو أهم عامل من عوامل هزيمة الاحتلال الذي رفع شعار انتهاء حكم حماس كهدف أساسي في بداية عدوانه .

The continued HAMAS control in any future regime in Gaza is one of the most significant signs of the resistance's victory .. It is also one of the most important reasons for the occupation's defeat, the occupation that raised the slogan of ending HAMAS rule as a primary goal in the beginning of its aggression.

لن تسمح شعوب الأمة بذلك وإن يقبل الشعب الفلسطيني في غزة أن يخرج من هذه المعركة بعد كل هذه التضحيات بظهر مكشوف نون مقاومة تحميه وتردع الاحتلال عن أي محاولة مستقبلية لتكرار عدوانه ..

The peoples of the nation will not allow it to happen and, after all their sacrifices, the Palestinian people in Gaza will not agree to come out of this battle with bare backs, without a resistance to protect them and to deter the occupation from any attempt to repeat its aggression in the future ..

الضامن الوحيد لعدم تكرار هذا العدوان هو بقاء القوة المقاومة الرادعة ..

The only way to guarantee that this aggression is not repeated is to maintain the resistance's deterrence ..

كل ما يحدث من مبادرات ما هي الامحالات اخراج الاحتلال من .. ويطهه بغزه

All the initiatives are nothing more than attempts to extricate the occupation from its predicament in Gaza ..

قطر وضيفها التي اعلنت انهم موجودون لديها يطلب امريكي .. واصنع السلام والتوسط لدى المقاومة بغزة

Qatar and the guests it claims to have invited based on the United States' demand, in order to make peace and to mediate with the resistance in Gaza ..

ومصر التي تعزز الحصار في الوقت الذي تحتاج فيه غزة للتنفس .. ابعاد ما يكون عن الحيا

And Egypt which tightens the siege at a time when Gaza needs to breath .. as far as it can be from neutral ..

.. وهم اقرب للاحتلال ومنحازون للطلبات الامريكية فقط

They are the closest to the occupation and biased toward American demands only.

The Prophet peace be upon him said: "You people must not desire to meet the enemy, but must ask God for wellbeing, and when you meet them show endurance and know that paradise is under the shadows of the swords." He then said, "O God, who sendest down the Book, makest the clouds to travel and routest the confederates, rout them and give us victory over them." (Sahih al-Bukhari)

تنتياهو يرفض الى الآن تشكيل حكومة طوارئ رغم اعلان الحرب
 Netanyahu still refuses to form emergency government despite the declaration of war...

عارفين شو معناه الكلام؟
 Do you know what that means?

...قيادة مية... وخوف من فضائح تنهار منها الدولة
 Dead leadership... and fear of scandals that would lead to the collapse of the state...

....ما أقوله لكم بكفيه كلمة واحدة بيضع حروف
 What I am telling you requires only one word with a few letters.....

...يوم الله آتاكم
 The day God gave you...

وما النصر الا من عند الله
 But victory is only granted by God

أبشركم أن لهذه التقدير الرباني أصل في القرآن
 Be glad as this divine assessment is grounded in the Quran

ضربت عليهم الذلة أينما تقفوا إلا بحيل من الله وبحيل من الناس
 * They will be stricken with disgrace wherever they go, unless they are protected by a covenant with God or a treaty with the people.* [Surah al-Imran, 112]

تفسير هذه الآية أن عز اليهود مرتبط بحيلين
 This verse refers to the Jews, as the power of the Jews is connected to two agreements:

حيل الله* الذي هو أذنه وقضاهه بذلك*
 Covenant with God which God gave his permission to and is part of His jurisdiction

وحيل من الناس* الذي هو امدادهم بالمال والسلاح*
 treaty with the people which is their supply of money and weapons

وحيل الناس هاهو يقطع
 And now the treaty with the people is being broken

وحيل الله انقطع عنهم وأذنه سبحانه بذلهم وزوالهم قد أن
 And the covenant with God is broken, and God, praise be to Him, allowed for their disgrace and the time of their disappearance has come

فلم يجعل الله لهم علينا سبيلا
 And God did not open their way to us

ومزقهم شر ممزق على ايدي شياطينا
 And He let our youths break their evil into pieces

الله أكبر وعروشهم تزلزل
 God is the Greatest and their thrones are shaking

الله أكبر ودولتهم تنهار
 God is the Greatest and their state is collapsing

الله أكبر ومجاهدونا يجوسوا خلال الديار
 God is the Greatest and our mujahidin are roaming through the land

الله أكبر وشياطينا يتبروا ما علوا نتبيرا
 God is the Greatest and our youths will utterly destroy whatever falls into their hands

أبشروا فوالله إنها نهايتهم
 Be glad for this is their end

في حال تم استهداف أو استشهاد أو إصابة أحد أقاربكم أو أصدقائكم:

In case one of your relatives or friends is targeted or becomes a martyr:

1. عدم الذهاب للاطمئنان عليه أو السؤال عنه عبر وسائل التواصل.
Do not go to check on them or ask about them using communication devices
2. عدم ذكر اسمه وتناقل أخبار وضعه الصحي.
Do not mention their name or circulate news about their medical condition
3. عدم نشر الصور مع الشهاداء خصوصاً الذين اقتحموا الحدود.
Do not publish photos of the martyrs particularly those who crossed the border

الإحتلال يعلم بالأسماء من الانترنت ويقوم باستهداف منازل المجاهدين وتشريد أهاليهم

The occupation collects their names from the Internet, targets the mujahidin's houses and deports their families

لمن يسأل، *لماذا توعد القسام بإعدام رهينة في كل مرة يقدم فيها عائلة من عوائلنا؟*

For those who ask *why does Al-Qassam vow to execute a hostage every time one of our families is executed?*

ألقى القسام كرة اللهب في الملعب الصهيوني، ويضع الحكومة الصهيونية التي تحاول الهروب من عار الهزيمة والخيبة بالقتل، مرة أخرى أمام جمهورها العفن الذي لا يروعى إلا إذا دفع الثمن غالباً.

Al-Qassam throw the fireball into the Zionists' court, and it forces the Zionist government, that is trying to escape a shameful defeat and dismay by killing, to once again face its corrupt public. This public only understands when it is forced to pay a high price.

هذه معركة مفتوحة طويلة صعبة
It is an open war and it will be long and hard

ومن المعلوم والمعروف مسبقاً أنه سيدفع الشعب الفلسطيني وبالذات غزة فيها ثمناً كبيراً
We know in advance that the Palestinian people and Gaza in particular will pay a high price

هذه معركة حتمية مفروضة واجبة معركة عزة وشجاعة وكرامة معركة
It is an inevitable war it is a war of duty glory bravery and pride a war to humiliate the tyrants and there is no escape from it..

لا تستعجلوا قطاف الثمر .. لا تستعجلوا قطاف الثمر .. لا تنزلوا عن الجبل .. لا تستمعوا للاحباط ان يتسلل .. ولا تستمعوا للمشككين والمنبطحين .. وكونوا اقوياء بتقنكم بالله
Patience, patience steadfastness, steadfastness .. do not rush to pick the fruits .. Do not go down from the mountain .. do not let frustration in .. do not listen to those who doubt and those who are lying flat .. be strong in your faith in God

ولا تهنوا ولا تحزنوا وأنتم الأعلون إن كنتم مؤمنين * إن يمسسكم قرح فقد مس القوم قرح مثله وتلك الأيام نداولها بين الناس وليعلم الله الذين آمنوا ويتخذ منكم شهداء والله لا يحب الظالمين
"Do not falter or grieve, for you will have the upper hand, if you are true believers" if you have suffered injuries 'at Uhud', they suffered similarly 'at Badr'. We alternate these days 'of victory and defeat' among people so that Allah may reveal the 'true' believers, choose martyrs from among you—and Allah does not like the wrongdoers" [Surah al-Imran 139-140]

If we want we can continue to talk about it for years, say that it's over and Palestine will never be free the question is if we are willing to carry the burden and I know the pressure that everybody is dealing with and the psychological condition

More than 30 of my brothers and friends became martyrs in this war but I do not want their work and what they did to become scattered dust

“Alhamdulillah”

Endorses Hamas Atrocities

الحمد لله
Alhamdulillah
لَنْ تُحْرَرَ الْقُدْسُ بِطُولِ الْأَمَالِ
Jerusalem will not be liberated through long aspirations,
السَّيْلُ سَيْفٌ وَرِجَالٌ ضَعِيفٌ وَخُفَّاطٌ أَنْفَالٌ
The way is through a sword, the men of Deif and the giant guardians
بِأَسْ شَدِيدٍ وَنَهْيِ يَاسِينَ يُبِيدُ الْأَرْتَالِ
Severe evil, and the flame of Yasin will destroy the ranks
فَدَّ سَعَرُوا الْخَرْبَ وَانْتَصَوْا سُيُوفَ الْإِطَالِ
So wage war and draw the swords of the heroes
أُسُودُ النَّزَالِ وَصُنَاغُ الْأَهْمَالِ
The lions of struggle and creators of horrors..

ندعو المواطنين إلى عدم التجاوب مع الرسائل النصية -*
والتسجيلات الصوتية التي تدعو إلى تهجير السكان من الشمال
وإغزة إلى الجنوب.*

• We urge the citizens not to respond to the texts and recorded messages that call for deporting residents from the north and from Gaza to the south.

في حال الشعور بالخطر المباشر نتيجة غارات الاحتلال يمكنك -*
الانتقال إلى منزل بديل أو التوجه إلى أقرب مركز إيواء من مكان
سكنك لحين زوال الخطر.*

• If you feel that you are in immediate danger because of the occupation's aerial attacks you can move to other houses or to the shelter that is the nearest to where you live until there is no danger.

يركز الاحتلال على الحرب النفسية لضرب الجبهة الداخلية -*
وتشريد المواطنين من خلال نشر إعلانات ممولة تتضمن تسجيلات
أو صور تطالب المواطنين بالرحيل عن بيوتهم وتهجيرهم وأخرى
لضرب الروح المعنوية، نؤكد على عدم التجاوب معها.*

• The occupation is focusing on psychological warfare to strike the home front and to expulse the citizens using paid ads with recorded messages or photos asking citizens to leave their homes be exiled and so on in order to break our spirit, we stress that you should not comply.

سَلَامٌ مِّنْ بَنَادِقِنَا
إِلَيْكُمْ يَا حِمَاةَ الْمَجْدِ
فَالْتَمِ دُرْعَتَا الْحَمِي
وَالْتَمِ دُرْعَتَا الْحَمِي
إِذَا صَافَتْ بِنَا الْخِيَا
سَهْمَنَا بِكُمْ نَشِدُ
لِنَفْسِهِ فَمَرُ أَمَلْنَا
بِرُغْمِ النَّيْلِ هَذَا الْعَفْدِ
أَيَا شُعْبِي - أَيَا أَهْلِي
أَيَا شُعْبِي فَنُقِطِيبِي
لِهَذَا الشَّيْءِ الْفَرَعْدِي

سَلَامٌ مِّنْ بَنَادِقِنَا
